MBER will usher in numerous affairs to mark the beginning of the social season, and there is considerable expectancy among those who keep close watch upon Dame Society's engagement tablets as to who will be the first to throw open hospitaole doors to the "set."

Music lovers, especially those interested in plane, may expect a treat when Mr. F. Barron Morley comes to Honolulu. He is a brilliant young Australian planist, son of an accomplished musician and studied four years with Leschetitzky. It is proposed to give one or more soirces, necessarily limiting the tickets, as they will be held at private houses. Following are a few selections from Mr. Morley's reper-
